Education

Rutgers University - School of Arts and Sciences: Honors Program

Started Fall 2016

Pursuing a double major in Computer Science and Communications

GPA : 3.672

Awards : Dean's List Recipient (Fall 2016)

Related Courses : Data Structures, Discrete Structures, Communication Theory, Intro to Communications

John P. Stevens High School

2012 - 2016

Course Load: Mostly AP Courses (ie. AP Calculus, AP Chemistry, AP Literature, AP Biology, AP Physics I, etc)

Awards: Presidential Education Award, AP Scholar with Distinction Award, National Honors Society

Activities

Rutgers Undergraduate Programming Association

2016 - Present

Assistant Director of HR : 13-15 hours/week

Help bring the Rutgers community together by planning and executing over 150 events each semester and give each student an opportunity to truly become a Rutgers Knight.

Undergraduate Student Alliance of Computer Scientists

2016 - Present

Outreach Committee Co-Chair & HackRU Organizer: 8-9 hours/week

Provide opportunities for students in computer science to learn more and grow as a community. Help plan and run outreach programs to nearby middle schools, other colleges, and even other Rutgers' clubs.

Paper Airplanes: Women in Tech

September 2017 - Present

Mentor : 4-5 hours/week

Help women in Syria (and other third world countries) learn CSS, HTML, and JavaScript. Help them with homework, teach the material, and supplement their learning.

Leadership and Experiential Learning

2016 - Present

First Year Fellow & Leadership Ambassador : 3 hours/week

Learn how to make a difference and effectively lead within the Rutgers Community. Take part in a selective fellowship and retreats which hone specific leadership skills.

Steamworks Studios

Summer 2017

Teacher : 45 hours/week

Taught students (ages 5-15) in math, science, and computer science. Prepared lessons, projects, and review sheets.
